

Youth Environmental Stewardship Club (YES Club) Registration Form

The Mission Environmental Stewardship Society is supported by the City of Mission and Province of BC. We make a co-operative effort between the society, the citizens of the City and School District 75 who wish to contribute to the environmental health of the community. All parties therefore commit to each other to perform certain activities for keeping our community cleaner.

As a **YES Club member**, (NAME) _____, I agree to:

1. Never intentionally litter and to be mindful of my waste.
2. To reduce, reuse, and recycle as much as possible to minimize my waste.
3. To volunteer for MESSociety as a litter picker to help keep Mission clean and beautiful. Volunteers can choose to clean up Mission by either adopting a specified area to clean on a regular basis; or to attend MESSociety Monthly cleanup events specified for youth volunteers. Additionally, some youth volunteers may be asked to help with event set up or take down (if willing to help out).
4. To report your litter-picking efforts to MESSociety (via the website, email, in person, or at through your booklet) and help us keep track of your volunteer hours.
5. Avoid direct contact with items that have the potential to be hazardous or injurious. Items such as syringes, condoms, broken glass, and animal parts shall not be touched. Hazardous litter and exceptionally heavy or unyielding objects shall be reported immediately to MESS staff so its removal can be arranged.
6. To report any injuries that occur during cleanup activities to MESSociety staff immediately.
7. If you choose to discontinue the program and no longer need your litter picker, bucket or vest, please return the equipment MESSociety so that it can be re-used.

It is understood that at no time is the safety of volunteers to be compromised in the performance of cleaning activities. Volunteer safety is always our first priority.

THE MISSION ENVIRONMENTAL STEWARDSHIP SOCIETY agrees to:

1. Supply our Youth Club members with litter picking equipment such as a bucket, garbage bags, safety vest, and a litter picker.
2. Provide a Safety Orientation upon request.
3. Once 30 volunteer hours have been confirmed, MESSociety will issue a certificate to the member to use towards their high school graduation, post-secondary application or resume for their job search.
4. Further environmental leadership opportunities will be provided for exemplary youth. After completing 20 hours or more of volunteer time senior YES Club members may be invited to attend our Executive Board Meetings as a "Junior Board Member". This option will only be extended to those members who have demonstrated their environmental leadership at past group cleanups and have expressed interest. Leadership opportunities helping to support our younger Litter Buster club members may also be available.

I have read and understood this statement of commitment, and I agree to the terms of participation.
