ABOUT MESS

The Mission Environmental Stewardship Society (MESS) is a non-profit organization created to support the efforts of citizens, organizations, businesses, and government to prevent and remove littered and illegally dumped waste in Mission, British Columbia. Formerly known as 'Mission Adopt-A-Block Society', MESS has been present in the Mission community since 1994. Through public education, volunteer opportunities, and outreach events, MESS takes a proactive approach to keeping Mission clean and beautiful. MESS administers waste diversion and anti-litter programming including the MESS School Litter Program, Adopt-a-Block, Litter Busters Club, Youth Environmental Stewardship Club and Group Cleanups. MESS has grown into a multi-faceted organization, facilitating community wide stewardship events, such as our annual Earth Day Celebration, *Mission Earth Fest*.

2025 IMPACT

With the help of **1,096 volunteers**, we successfully continued our mission of keeping the City of Mission clean and removed over **6,500 lbs** from streets, trails, parks, streams, and lakes.

ABOUT THE EVENT

Mission Earth Fest will take place on April 25, 2026, from 11AM to 3PM at Fraser River Heritage Park in Mission, B.C. Formerly known as *Green Living*, the event has been renamed to better reflect its purpose: celebrating Earth Day.

Mission Earth Fest features interactive activities, public education, sustainable vendors, entertainment, eco-exhibitions, and more. The event promotes environmental stewardship and sustainable living within the City of Mission. Attendees can explore a wide range of environmental topics, including green transportation, sustainable fashion, waste management, solar energy, organic gardening, climate change, and wildlife conservation.

The event is free to the public and is promoted throughout Mission, Durieu, Hatzic, Deroche, McConnell Creek, Dewdney, and Abbotsford. *Mission Earth Fest* typically attracts over 1,000 attendees and involves more than 60 vendors and exhibitors.

Event Features

Demos and eco-exhibits for composting, recycling, planting, knitting and more

Opening ceremonies, Indigenous education and performances from the Mission Friendship Centre

Sustainable Marketplace including eco-friendly small businesses, artisans, farmers and food trucks

Repair Café hosted by Building Resilience in Mission

COMMUNITY BENEFIT & INCLUSION
